“ Well done for moving online with your training so professionally. This represented all the usual good quality training we have come to expect from EY2P.

“ Very high quality, it was just like attending the face to face training, very informative and as always great resources to take away.

“ A very well put together presentation & meeting. There was everything I know and enjoy about EY2P briefings.

“ The screen sharing and the breakout groups were fantastic. You delivered a brilliant meeting. Lots of practical resources as always on your courses. A great support in the current circumstances.
