“ A BIG thank you for the course this afternoon. It was fantastic and has left me enthused and eager to make some changes in school. The documents are fantastic (as always) with lots of useful resources that can be taken back and shared with staff.

“ Thank you for another great meeting. Brilliant and informative as always and such a great way to still connect during these difficult times. I am already looking forward to the Summer term meeting.

“ I liked the clarity and format of the briefing. I will be able to give a clear briefing to the rest of the senior management team as a result and I think that the audits will help us to map out a clear plan for start in September.
